Nissin Corporation supports measures against
the novel Coronavirus outbreak in China

Nissin Corporation would like to express its deepest condolences to those who have died of the novel Coronavirus, and sympathy to all whom it has affected.

To support relief efforts for measures against the spread of Coronavirus infection, Nissin Corporation donated 10 million yen to the Embassy of the People's Republic of China in Japan.

We sincerely wish for the earliest recovery of those who were infected and the situation to be settled soon.
